

Community Guidelines

Effective: May 2, 2026 · Operated by Talent Connect World LLC (Wisconsin, USA) · Contact: support@holdthecrown.com

CrownMe is an 18+ social photo-sharing community where members earn crowns through positive engagement. These Community Guidelines explain what is and is not allowed. Violating them may result in content removal, feature restrictions, account suspension, or permanent ban — even on first offense for severe violations.

1. Be Kind. Be Real.

- Treat every member with respect, even when you disagree.
- Use your real likeness and identity. No impersonation.
- No coordinated harassment, pile-ons, or vote brigading.

2. Zero Tolerance — Immediate Permanent Ban

- **Child sexual abuse and exploitation (CSAE):** any sexualized content involving minors, grooming, or solicitation. We report to NCMEC and law enforcement. See our Child Safety Policy.
- **Non-consensual intimate imagery** (revenge porn, deepfakes).
- **Threats of violence**, terrorism, promotion of violent extremism.
- **Doxxing** or sharing another person's private information without consent.
- **Sale of regulated/illegal goods** (drugs, weapons, stolen items, fake IDs).
- **Human trafficking** or sex trafficking content.

3. Not Allowed

- **Nudity & sexually explicit content.** CrownMe is 18+ but is not an adult-content platform. No genitalia, sex acts, or porn.
- **Hate speech** attacking people based on race, ethnicity, national origin, religion, caste, sexual orientation, gender, gender identity, disability, or serious disease.
- **Harassment & bullying:** targeted insults, slurs, threats, or unwanted sexual advances.
- **Self-harm & suicide** content that promotes, glorifies, or provides instructions. We surface help resources when topics arise.
- **Graphic violence or gore** shared for shock value.
- **Spam, scams, vote manipulation**, automated activity, fake accounts, or buying/selling accounts.
- **Misinformation** that could cause real-world harm (e.g., dangerous health hoaxes).
- **Intellectual-property infringement** (see our DMCA Policy).

4. Crowns, Voting & Battles

- One vote per person, per post, per allowed window.

- No coordinating vote swaps, bots, scripts, or multi-account voting.
- Battles are for fun. Don't use them to target a real-world rival or harass.

5. Direct Messages

- No unsolicited sexual content or nude imagery, ever.
- No commercial spam or unsolicited promotion.
- Block and report aggressive or abusive senders — we review every report.

6. Reporting

Use the Report button on any post, comment, message, or profile. Provide details and any evidence. Reports are confidential. Urgent safety threats can be emailed to support@holdthecrown.com with subject "URGENT SAFETY."

7. Enforcement

Our moderation team reviews reports using a combination of automated systems and human review. Actions range from a warning, content removal, or feature restriction (e.g., temporary mute), to suspension or permanent ban. We may also withhold or revoke crowns and other in-app items earned through violating activity.

8. Appeals

If you believe an enforcement action was made in error, submit an appeal in-app under Settings → My Reports → Submit appeal, or email support@holdthecrown.com with subject "Appeal" and the action or content URL. We aim to respond within 7 business days.
